Serial No.

Whether a revision of pay is called for in the case of the Estabt of this Institution is a matter to be independently considered. It will be most inconvenient if general orders applicable to Court offices are applied to Museum Institutions. The Conditions of Service are different in the two Cases. The grant of this Concession is bound to encourage similar requests by the Estabts of other Institutions and it will be difficult to resist such requests. It is stated that in the case of this Institution there is an annual surplus of Rs 919 and the important point is if the bulk of this amount should be used up for increasing the cost of Estabt.

This is purely a departmental matter and except the above general points there are no financial questions on which financial opinion is necessary.

3.8.22.

There is considerable force in the view put forward by the Finl. Secy. If it is considered that an increase today is strongly indicated, then the case may be considered on its merits. We can only agree with the Finance Secy that the present is not an opportune moment for the consideration of the question

Enclosure No one file.

Subject, for information, the arrangement of pay to the Whole time Servants of the Municipalities.

Rec'pt No. 218 of 1922

OFFICE OF THE DEPUTY COMMISSIONER
MYSORE DISTRICT,
Dated, Mysore, 29th June 1922
30. Jul.

From

P.F.Bowring, Esquire,
Deputy Commissioner, Mysore District.

To

The *Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.*
Muzrai Department

SIR,

With reference to Muzrai Superintendent's letter No.5616 dated 8/10th April 22 forwarding for disposal, a petition from the seventeen wholetime servants of the Gumbuz establishment at Seringapatam, praying for increment of pay, I have the honor to state that it is seen from the enclosed records received with Seringapatam Taluk Amildar's report No.281 dated 14th February 22 that the high price allowance, local and war allowances and consolidated allowance sanctioned from time to time to all whole time servants of Government, in addition to their pay were being paid to these whole time servants of the Gumbuz establishment also. Lastly, they are reported to have been enjoying the consolidated allowance as in the case of other Government servants. These concessions are seen to have been extended to the Gumbuz establishment on the strength of letter No.632-3 dated 11th February 1909 from the Muzrai Superintendent in Mysore (vide copy enclosed Flag A) in connection with the grant of allowance for dearness of provisions in their case, first in 1909.

2. A list of the wholetime servants of the Gumbuz establishment received from the taluk is submitted herewith. It furnishes information as to the pay they are at present drawing in accordance with the sanctioned scale, and the amount now proposed to be increased to them in accordance with the provisions contained in G.O.No.Fl.6-55/S and A 5-21- dated

dated 9th October 1921. The increment proposed to be given to them results in an excess expenditure of Rs.63/ per month or Rs.756/- a year and this can be met out of the savings of Rs.919- 14-1 to be effected every year in the Gumbuz funds, after meeting all expenditure required for establish ment services, repairs etc as per revised scale of Gumbuz and other masjids at Serin apatam (G.O.No.3802-804 Muz.4587-18-2 dated 2-6-1919,. Moreover, according to the sanction ed scale, the income from the Gardens attached to the Gumbuz is estimated at only Rs.500/- a year. It is fetching an annual income of Rs.1000/- more or less. Thus the savings to be effected every year will be more than what is appre- hended in the sanctioned scale and the extra charge now pro posed can be safely met out of the funds of the institution.

3 As these are all wholetime servants of the Gumbuz esta blishment, I recommend that the concession shown to the other servants in the Government Order of 9th October 21, may be extended to the Gumbuz servants referred to herein, with effect from 1st September 21, in view of the fact that living has become very expensive on account of high prices of necessaries of life and that they were enjoying similar concessions from time to time till the end of August 1921.

I have the honor to be,

Sir,

Your most obedient servant,

for Deputy Commissioner,

Mysore District

/2

To

The Deputy Commissioner,

Mysore District, Mysore.

Sir,

With reference to your letter, Ref. Petition No.218 of 21-22, dated 4th July 22 recommending an increase of pay to certain whole-time servants of the Gumbuz Establishment at Seringapatam, I am directed to state that the conditions of service of the whole-time servants of Government are different from those of the employees of mufrai institutions and that it will be inconvenient if general orders applicable to former are also applied to the latter. The annual recurring surplus in the case of this institution is only Rs.919/- exclusive of the additional income from the Garden and it seems to be inadvisable to utilize the bulk of this sum for increasing the cost of -- establishment.

2. In these circumstances, I am to state that Government do not consider it feasible to sanction the enhancement of the salaries recommended.

3. The vernacular records are herewith returned.

I have etc.,

Revenue Secretary.
